

COMANCHE MEETS BRADY TODAY

Complexion Of Next Congress Is Discussed

The Democrats lost heavily in the last national election but still will control the next Congress. The following article by the editor of The Times as taken from The Brownwood Banner gives a good discussion of the new Congress:

WASHINGTON—The arithmetic of the new 76th Congress which the President faces is as follows:

	House	Senate
	Old New Old New	
Democrats	328 263	76 69
Republicans	88 169	15 23
Progressives	7 2	1 1
Farmer-Labor	5 1	2 2
Independent		1 1

Subject to a half-dozen contests and recounts for House seats and one Senate seat (Indiana), this is the precise measure of national Republican resurgence. Not one of 103 incumbent Republicans failed to regain his seat. Of 25 former Republican incumbents who tried to come back, 14 succeeded, whereas of the House's 38 "Young Turks" (150% New Dealers), 14 were gone.

Gustine Defeats Desdemona 25 to 7

(By Gustine School Reporter)

The Gustine Tigers ended a successful season last Wednesday, Nov. 23 by defeating the Desdemona Porkers, Class B team, 25 to 7. Coming end runs with forward passes and laterals, the Tigers ran up an early lead, the score standing 19 to 0 at the end of the first quarter. The Desdemona team got their score late the fourth quarter after suiting up some old exes downtown who proved too much for the high school lads. It was the last game for Carpenter, Clements, M. White, Young, D. White, B. J. Rollins and Isham, all of whom played outstanding football.

Hardin-Simmons To Meet Howard Payne At B'wood Saturday

With the Texas Conference championship safely stowed away as a result of an undefeated record in conference play, the Howard Payne Yellow Jackets face their traditional foe, the Hardin-Simmons Cowboys at Brownwood, Saturday. This contest, long a Texas grid classic, will be the highlight of home coming festivities for hundreds of Howard Payne exes.

Oil men are coming to Comanche every day. Development is rapidly progressing in a southeasterly direction down the Leon River and within six months it is freely predicted that Comanche County will be one of the leading producing counties in Texas.

Machinery is arriving here today for the Tippet Well and the excitement runs high.

Uncle Bill Cunningham, 70, died at his home near Newburg Thursday. Uncle Bill was the 6th child of Captain and Mrs. James Cunningham and is the third to pass away.

SAYS TAKE LIVESTOCK OFF DOLE AND PUT THEM ON THE PAYROLL

By T. C. Richardson, Secretary Breeder-Feeder Association

It makes a whale of a difference whether people are on the payroll or on the dole, and it makes just as much difference with livestock. It may be necessary, sometimes, to go on a "drouth" ration, doing out just enough food or feed to keep life in the animal, but neither man, beast nor fowl goes long on a bare "maintenance ration" without losing something that cannot be regained. If the ration is unbalanced the body must draw on its reserves for the deficiency elements, resulting in depleted vigor. If the ration is balanced—that is, if it contains all the essentials—and is yet too skimpy, the result is worse, for it takes more to regain the loss than to hold normal growth in the first place.

Feed has only one purpose—to be fed. The worst possible disposition to make of it is to peddle it on a cash market for less than cost of production; the next most wasteful use of feed is to dole it out stingily or to feed it in the wrong way to the wrong kind of stock. It takes a certain amount of feed to keep up normal body functions, and unless more is fed and digested there will be no gains in weight, no eggs, or no milk.

It is especially important at this time to keep turkeys on a go to market, and laying hens must have what it takes to produce eggs during the next few months, when the price is best. If all the elements of a good ration are not produced on the farm—and it is seldom that they are—whatever is lacking must be purchased. The primary purpose of course is to sell home-grown feed to the best advantage, and the ration should be built around the feeds that are available. But it is not possible to get the best returns from one kind of grain alone, or from any other unbalanced combination.

There is no excuse for haphazard feeding methods when the information can be had from county agents or from bulletins of the agricultural colleges which enable the feeder to work out a ration which uses as much as practicable of home grown feeds, and yet get the best results from their use. Everyone now knows that a protein supplement makes corn or other carbohydrate grain go farther in pork production, and it is therefore economy to buy whatever is necessary rather than fatten hogs on corn alone.

In these short sketches it is impractical to discuss details, or to lay out rations for general use. Such a variety of feeds is grown in the Southwest that it would take a book to explain their uses with various types of animals and fowls, and for the several purposes of breeding, growing, fattening, and egg or milk production, for which livestock is kept. Every farmer must decide for himself how to best use his feed, and if he has not already learned how to figure a ration based on what he grows and the kind of livestock he has, he can secure the information by going to the right sources.

The F. F. A. boys and the 4-H club boys are learning these things in their daily work under vocational agriculture teachers and county agents, and they have made proud records in livestock and poultry production, which their fathers may well emulate.

Drilling Underway At Stag Creek

A shallow well was spudded in on the old Ainsworth land now owned by the Citizens National Bank of Brownwood, in the Stag Creek community near the Cross Roads Store Tuesday. The drilling is under the direction of Marion Harvey and the Rush Oil Company with D. W. Crawford of Gainesville as field manager.

The Rush Oil Company recently completed six wells on the Houser land two miles southwest of Sipe Springs. There are now 10 wells, all producers on this land, making from one to seven barrels per day. One of the wells is producing at only 246 feet.

Mills County Singers To Meet Sunday

The Mills County Singing Convention will meet at Mt. Olive, 12 miles northeast of Goldthwaite, next Sunday, Dec. 4th, according to William B. Huggins, chairman.

"We want all the Comanche County singers to come and help us to make this a good convention," Huggins said.

Subscriber Seeks Dog That Saved Husband's Life

Fire of undetermined origin destroyed the home of Mr. and Mrs. Max Keeter near Sidney early Thanksgiving morning, and Mr. Keeter was nearly trapped in the burning dwelling.

The following is a letter received from Mrs. Keeter:

"Fire of undetermined origin destroyed our home, furnishings, and clothes at about 1 A. M. Thanksgiving day. My son and I had gone to my parents, Mr. and Mrs. John Greene of San Angelo to spend the Thanksgiving holidays.

"My husband had just gone to bed as he had been listening to the radio and was in that first heavy sleep, and was hard to wake. Our dog saved his life. He came to the window by Max's bed and howled, barked, and chewed on the screen until Max raised the window shade to see what was the matter with the dog.

"On getting up, he discovered that the entire house was on fire, and had to crawl out the window to save himself.

"The dog dashed off of the porch and has not been seen since. We are very anxious to get him back as we loved him, and are especially grateful for the heroic thing that he did in saving my husband's life.

"The dog is a dark cream and white colored Spitz and Collie. He answers to the name 'Doggie.' 'Our car was by the window, and we were using the battery to operate the radio; so the car was also destroyed.

"We had insurance enough to cover about a third of the damage. 'The house fell in less than five minutes after Max aroused. 'Very truly yours, Mrs. Thelma Keeter.' 'P. S. The dog has about a two inch tip gone from one ear.'

Pair Sentenced To Penitentiary For Peanut Theft

The two men were charged with stealing fifty-five sacks of peanuts from Ed Foot of the Duster community.

Elson awaits trial at Eastland on a charge of freeing two prisoners from jail at Gorman on October 29. Elson was captured at Houston on November 25 and brought to Comanche by local officers.

Carpenter of Dallas, president of Texas Power & Light Co.; Clarence Scharbauer of Midland, rancher; R. R. Pinkney of Amarillo, packing company president; H. Overstreet, Bowie farmer; J. A. A. Bandeen of Abilene, manager of the West Texas Chamber of Commerce; Mrs. Jack Glidden, Clarks-ville housewife; Blake A. Carter, San Angelo trucker; J. D. Collett of Fort Worth, independent oil operator.

Both elevens are undefeated. Brady has nine conference wins to its credit and a 39-0 victory over Class B Thomas Edison of San Antonio. The Indians went through their seven game conference schedule undefeated, and also have victories over Class A Stephenville and School For the Deaf to its credit. The only blemish on Comanche's perfect record is a scoreless tie with Class A Ranger.

Mayor B. A. Mallum of Brady has issued a proclamation urging that every business man, merchant, and professional man in Brady close his place of business from 1:30 until 4:30 o'clock this afternoon so that he and his employees might attend the game.

The Comanche band, pep squad, and drum corps as well as a large number of fans will accompany the team to Brady.

Hon. Clyde Garrett To Be Here Monday

The following letter from Congressman Clyde L. Garrett of Eastland, is self-explanatory: "It is my present plan to be in Comanche most of Monday, December 5, and if you will give due notice to this effect in the paper it will be appreciated for I have had many letters asking me to come down and discuss various problems with various of your citizens in your city.

"With best wishes and kindest regards, I am

Sincerely yours,

Clyde L. Garrett."

Play At Beattie Tuesday Night

On Tuesday, December 6, at 7:30 p. m., "The Flapper Grandmother," a three act musical comedy, will be presented in the Beattie auditorium. This is a royalty play sponsored by the Wayne P. Sewell Producing Co. of Atlanta, Georgia and brought to Beattie under the auspices of the Beattie Parent-Teachers Association. Miss Elizabeth Tharrington of North Carolina is coaching the play.

There are a lot of good laughs in this play and there is also a good story back of it. Much is added to the interest of the play by the number of choruses and novelties in costume.

BIG CROWD EXPECTED IN COMANCHE MONDAY

A big crowd will be in Comanche Monday for the regular First Monday Trades Day.

Many of the merchants are offering special bargains for the day and heavy Christmas buying is expected, as well as buying and trading in livestock.

The Comanche High School Indians, champions of District 26-B, meet the Brady Bulldogs, winners of the 25-B title, at Brady Friday afternoon at 2 o'clock. The site of this bi-district contest was decided by a coin toss at Brownwood Monday night, when officials of the two schools met.

Brady's well-balanced aggregation, said by fans and critics to be the best ever to represent the school, present a smooth working machine with a powerful and swift ground attack, and a potent aerial attack.

Beecher Huff, 164 pound half back, does most of the punting and passing, and lots of the ball carrying. Co-Captains Waggoner and Leroy Anderson, hard-driving backs, can block or carry the leather with the best of them.

The Indians will depend on the ball carrying ability of Pate, Cox, and Carnes for their offensive attack, while Comanche's strong line built around its two captains, Guthrie and McMillan, will be depended on to stop the hard running attack of the Bulldogs. Local fans have hopes that the long overdue Comanche aerial attack will begin clicking against Brady.

Coaches Frazier and Fletcher's proteges are all in good shape except Tom Cox, big 180 pound fullback, has been limiting his workouts this week to jogging around the track in sweat clothes trying to limber up a pulled muscle in his left leg; however, he is expected to be in the Indians' starting lineup.

On the face of past performance this season, the Indians appear to have slightly the better defensive record, while the Bulldogs have the greater offensive record. Brady has piled up 348 points this season to 30 for the opposition, averaging 34.8 points per game. Comanche has scored 194 to 20 points for the opposition.

Both elevens are undefeated. Brady has nine conference wins to its credit and a 39-0 victory over Class B Thomas Edison of San Antonio. The Indians went through their seven game conference schedule undefeated, and also have victories over Class A Stephenville and School For the Deaf to its credit. "I think it is a good thing that the Republicans gained in the last election," E. E. Anthony said recently. "It is not a healthful thing to have the country represented in Congress too predominately by either party," he concluded.

"I hate to say so, but there are but few people going to Heaven," says the new Methodist minister. "All could go if they wished to had enough, but they are not willing to pay the price," he says.

Bible Thought: "One only is the lawgiver and judge, even he who is able to save and to destroy; but who are thou that judgest thy neighbor?" James 4:1.

Comanche High School Indians are district champions for the first time since 1931. They now have played twelve consecutive games without a defeat. Not since the Armistice game at Dublin in 1937 have they lost a contest. Any team that can do that is worthy of the praise of the Comanche citizens whether they win, draw, or lose the Brady game. Our hat is off to the Champions of 1938.

It has been a long time since Comanche has had a speech on government except during a campaign. U. S. Senator Tom Connally has been invited to speak at Stephenville and it would not be a bad idea to extend him an invitation to speak in Comanche. We should keep in closer touch with our Congress.

Many towns are now lighting up for Christmas and Comanche should start the good work at once. In the past the light company has had a flat rate for December, so you lose nothing by delaying. Let's light up for Santa.

"I do not live in Fort Worth any more, but in Cartersville," said Johnnie Hamilton of Cowtown, upon a visit to his uncle, E. E. Anthony. He referred to the new name given to the Tarrant County metropolis in the Saturday Evening Post last week which contained an article about Amon G. Carter, Publisher of The Fort Worth Star-Telegram. The piece was entitled, "Carter of Cartersville." You should read it.

Those who urge that State and County expenses should be cut by reducing the number of employees may be right, but then even that has its drawbacks. It usually will increase the unemployment problem.

Nurse: "Cheer up you won't, the doctor is in love with me too and he saw me kissing you."

If you wish to avoid criticism there are three rules to follow. "Say nothing, do nothing, be nothing."

"Where there is a will there is a way," says Tom Clyde Marshall who saw the TCU-SMU game despite the fact that he found all tickets sold when he reached the SMU stadium Saturday and the gate-keeper refused to sell him standing room. He approached two boys standing by the fence and asked, "Can we climb over?" "No," they replied, "we have just tried." "There is only one thing I want to know and that is, did they shoot at you?" said Tom. Receiving a negative reply, Marshall asked one of the youths if he would mind stooping over and standing next to his partner. They didn't. By using the back of one and the shoulder of the other as stairs, Marshall was over the fence in time to see the kick-off.

In the North many of the churches close down for the summer and have no services on Sunday for two months according to Rev. J. D. Smoot who visited his daughter in Massachusetts last summer. He says that religion seems to be at low ebb in that state.

Rev. J. B. Cranfill of Dallas recently said in his Sunday school lesson broadcast that he never knew a divorce to come out of a home where family prayer was a daily custom.

In the absence of any declara-

tion to the contrary, by Mr. Roosevelt, many officials in Washington assume that he at least is considering a third term.

It is said that humans can go 40 days without food, 6 days without water and 4 minutes without air, and some of them 60 years without thinking.

Comanche enjoyed a delightful Thanksgiving with the grocermen reporting a big pre-holiday trade and perhaps with more people than ever before having turkey for dinner.

Thanksgiving is not all a matter of what may be in the hand or on the table. Some of the richest human blessings come from the treasures which lie in the heart and brain and soul of man.

In the Old Testament times to offset depressions, the year of Jubilee was established. The Jubilee year came every five years. At that time all debts were forgiven and from that date every one started with a clean slate.

Bob Baldrige, Editor of The Clifton Record and Past President of the Texas Press Association, always see the good in everyone despite all the faults his subject may possess and he has a happy way of passing out compliments even when writing personals. He had this to say concerning our recent stop-over at Clifton:

"Mr. and Mrs. J. C. Wilkerson, who made their home in Clifton during the time he was superintendent of our public schools, stopped here last Saturday for a short visit with friends and to 'look the old town over.' While enroute to Waco for the Baylor-SMU football game, Mr. Wilkerson is now publisher of The Comanche Chief, one of the best weekly papers in the State, and his many friends here are glad to know he is making quite a success of the business which seems to fit in perfectly with his many talents."

It always comes in the nature of a shock and surprise to hear a weasened up little man with a size 13 collar speak up in a rich bass voice, but it is not as bad to hear a robust 200 pounder lead off with a high tenor voice.

SPORTS SLANTS

BY JAMES WILKERSON

The Comanche High School Indians meet the Brady Bulldogs at Brady this afternoon at 2 o'clock for the bi-district championship.

Energy

Miss Francis Rudd spent part of last week at Brownwood.

Misses Mary Ellen and Jimmie Dean McPherson entertained the young folks last Thursday night with a weiner roast. A number of visitors from Pottsville attended.

Mr. and Mrs. Billie Rudd of Indian Gap spent Sunday with his parents here.

Mrs. O. R. Brown spent Sunday and Sunday night with her parents, Mr. and Mrs. Franks at Pearl.

Herbert Miller of Dallas and Mr. and Mrs. Robert Miller and son of Fort Worth spent Thanksgiving with their parents here.

Mr. and Mrs. Ollie Hayes and family visited his parents in the Macksville community Saturday night.

The Indians won the 26-B title, and Brady holds the 25-B honors.

This will be the first championship game that Comanche has played in since 1931, and a large crowd is expected to follow the locals to Brady.

The game site was decided by the toss of a coin at Brownwood Monday night, when officials of the two schools met.

Roy Brannon, secretary of the Comanche School Board, did the flipping of the coin. The principal of the Brady High School pulled a very unorthodox trick by calling "tails." And sure enough, tails it was. So we go to Brady!

The admission price has been set at 75 cents for adults, and 25 cents for school children.

Comanche High School will receive \$100 for traveling expenses, and the proceeds of the gate will be split between Comanche and Brady fifty-fifty after the actual expenses of the game has been paid. The \$100 that Comanche receives for the traveling expenses will come out of Brady's share.

The Indians will have a slight weight advantage over the Bulldogs, outweighing them approximately three and a half pounds to the man. Coaches Frazier and Fletcher will put a starting Indian lineup on the field that will average around 163 pounds to the man. Coaches Holland and Kauffman of Brady plan to start an eleven that will tip the scales at 159 pounds per man.

This will be one of the very few times that the Indians have outweighed their opponents this season, and we believe that pound to pound that the Indians can stand up against nearly any Class B team in the State.

The Indians will go into the contest as the underdogs for one of the few times this season. The locals have been favored in every game this season with the exception of Ranger. The Indians turned in one of their best games of the season against this Class A Oil Belt eleven, holding them to a scoreless tie.

Local fans believe that if the Indians can turn in such a game against Brady that will be able to upset the Bulldogs.

Brady and San Saba are already counting heavily on playing the Regional Championship game at Brady. Brady plans to take the Indians easily, and San Saba evidently thinks that they have a cinch over Taylor.

It would be very nice indeed to see the Indians and the Taylor Ducks tangle for the Regional Championship.

Brady has bowled over all opposition this season, and has beaten every team decisively with the exception of Coleman. Coleman managed to hold the Bulldogs to a 19-6 victory, the closest call the Brady eleven has had all season.

The season's record for the Brady Bulldogs follows:

Brady	Opponent	
37	Mozelle	6
30	Cross Plains	0
19	Coleman	6
33	Rising Star	6
48	Rochelle	0
28	Ballinger	6
51	Santa Anna	0
38	Winters	6
26	Bangs	0
39	Thos. Edison of S.A.	0

Comanche's season record:

Indians	Opponent	
21	Stephenville	7
0	Ranger	0
32	Desdemona	0
19	Hamilton	8
20	Hico	0
18	School of Deaf	0
34	Granbury	0
18	Gorman	0
7	Dublin	0
14	De Leon	6
193		21

Huff and Waggoner, two 165 pound backs, lead the Brady running attack, and are regarded as the outstanding backs in 25-B.

Hamilton won second place in the district, by beating Dublin 12-6 in Dublin Thanksgiving.

STANDINGS OF FOOTBALL TEAMS IN DISTRICT 26-B

Team	W	L	T	Pct.
Comanche	7	0	0	1.000
Hamilton	6	1	0	.846
Dublin	5	2	0	.715
Gorman	2	4	0	.233
Hico	3	3	0	.500
Granbury	1	4	1	.300
Desdemona	1	4	0	.200
De Leon	0	6	1	.172

Gustine High School trounced the Desdemona Porkers 25-6 last Friday at Desdemona. This Class C school has been playing football only three years, and has turned out exceptionally good teams. The victory over Class B Desdemona shows that the Tigers have another good squad this year. The Gustine Tigers have been beaten on their home ground only once, that being a 14-13 loss to the Iredell eleven this year.

Comanche Wins District Title; Defeats DeLeon

The Comanche Indians captured the District 26-B gridiron title at De Leon Thanksgiving when they downed a stubborn, hard fighting Bearcat eleven 14-6 before a holiday crowd of fifteen hundred spectators.

The Bearcats were primed for the Indians and opened up early with a dashing passing attack that almost swept the Indians off their feet during the early part of the game.

The De Leon eleven depended almost entirely on passing throughout the game, while the Indians stuck to the power plays with Pate, Carnes, and Cox alternating in carrying the ball. The Indians piled up 23 first downs to 9 for the Bearcats.

The Indians looked very unimpressive for district champions and played only the championship brand of ball in the third quarter, when they shoved over one Indian touchdown and advanced the ball to the one yard line when the gun sounded ending the quarter.

The Bearcats made the first real scoring threat early in the first quarter, when Terrell Sharp shooting nice spot passes completed five passes in a row to the two De Leon tail ends, Ash and Lawless. The advance stopped on the Indian one yard line, when the Comanche forward line braced to stop two De Leon line thrusts, and the ball went over on downs at this spot.

The Indians scored the first tally of the game in the third quarter after a series of running plays including a 35 yard off tackle slant by Carnes placed the ball on the Bearcat nine. Cox went over on the first play carrying two De Leon men with him. Carnes converted for the extra point.

Pate scored the second Indian touchdown on the first play on the fourth quarter, after the Comanche backs had once again ripped into the De Leon line and advanced the ball to the Bearcat one. Carnes again kicked the extra point.

On the next play, Carnes kicked off to Lawless, Bearcat end who started running to the left, cut back sharply to the right and found himself in the clear and raced 65 yards for a touchdown. The try for the extra point was wide.

Johnnie Pate, fleet Indian half back, turned in the most spectacular Indian run of the day, when he intercepted a De Leon pass on his own fifty late in the second quarter and scampered through a broken field to the Bearcat five. The scoring opportunity was lost, however, when Carnes fumbled on the next play, and the Bearcats recovered.

Two other Indian drives were stopped inside of the Bearcat ten yard line. The De Leon eleven made only one real scoring threat, that coming early in the first quarter.

Pate and Cox stood out in the Indian backfield, and Fletcher, N. Robertson, and Guthrie turned in a good game in the line. The passing of Terrell Sharp was outstanding for the Bearcats.

SKETCH OF THE LIFE OF

MRS. MARY PALMER

(Continued)

The auditorium of First Baptist Church of Gustine, was filled to its utmost capacity Sunday, Nov. 6 at 2:00 p. m., when friends and relatives met to pay the last tribute of respect to the life of Mrs. Mary C. Palmer, whose soul passed quietly and triumphantly from its earthly abode, Friday, November the 4th. The great crowd of friends, many of whom had come from a distance, and the many beautiful flowers banked high, spoke silently but surely of the good life she lived.

Rev. Bob McGinnis, pastor of the First Baptist Church; Rev. J. W. Reynolds, pastor of Tabernacle Baptist Church and her pastor at the time of her going; Rev. T. H. Irwin, who was her pastor for a good many years and Rev. W. M. Scott, who had a part in the service, by reason of life long friendship and association, Bro. Scott was the main speaker.

Those present who knew her best were impressed with the appropriateness of the expression, "She traveled the Love Way," due to the fact that she possessed a great heart of love for humanity, and she mothered all who came her way. Her home was always open to those who needed love and encouragement. Her optimistic and happy outlook on life brightened the way for many way-worn pilgrims.

Her children are living lines of usefulness, largely because of the life of a great mother. She verily lived the 23rd Psalm: "The Lord is my shepherd, I shall not want. He maketh me to lie down in green pastures; He leadeth me beside the still water," explaining her faith and contentment. "He restoreth my soul, He leadeth me in the paths of righteousness for His name sake," helps us to understand her life of Christian usefulness day by day.

"Though I walk through the shadow of death I shall fear no evil for Thy rod and staff, they comfort me," explains her triumphant going. The climax of her life is reached in the last verse: "Surely goodness and mercy shall follow me all the days of my life and I shall dwell in the House of the Lord for ever."

HONORS HUSBAND ON BIRTHDAY SUNDAY

(Contributed)

The home of Mr. and Mrs. H. G. Wilson, Sr., of the Fairview community was the scene of a happy gathering Sunday, Nov. 14th, when Mrs. Wilson honored her husband with a birthday dinner. The affair was a surprise to Mr. Wilson, who was invited by a son-in-law to drive into town with him on a business trip. After they had left the home, Mrs. Wilson and her daughters brought from hiding the food which had been prepared and the decorations for the table. Everything was in readiness when Mr. Wilson and his son-in-law returned at the noon hour: the table laden with the snowy birthday cake with candles topping it, turkey and all the "fixings."

When Mr. Wilson was called to the dining room he was met by a chorus of voices singing the familiar, "Happy Birthday to You." After the merriment of the surprise had subsided somewhat, each guest was shown to his place at the long white table with its centerpiece of pink rosebuds. Thanks for the bountiful feast and for the association of dear ones was offered by D. W. Dutton, after which the gifts were opened.

FIRST METHODIST CHURCH

Rev. E. R. Gordon, Pastor

Last Sunday was indeed a fine day at the First Methodist Church. Large congregations were in attendance throughout the day, and the Lord blessed us with His presence. Many friends from the other churches of the town visited and worshipped with us, and we were very glad to have them. We sincerely hope that all the churches of Comanche will have a great day Sunday.

We understand it is the custom of the churches of the town to welcome its new ministers by making the church, of which the new minister is pastor, a visit and worship with them. This is indeed a very beautiful spirit and we do so much appreciate it. We will be looking with joy to this visit from the other churches Sunday night. Bro. Shepard, pastor of the First Presbyterian Church, informed the pastor of the Methodist Church that the visit would be made at that time.

Our services are scheduled as follows:
Sunday School 9:45 a. m.
Morning Worship 11:00 o'clock.
Epworth Leagues 6:15 p. m.
Evening Worship 7:00 o'clock.
Prayer Meeting 7:00 p. m. Wednesday.

You are cordially invited to attend these services.

VICTORY QUARTETTE TO RENDER PROGRAMS

The quartette will continue its second and fourth Sunday morning programs, from 8 to 8:45.

Mrs. Kilpatrick Presents Pupils In Tarleton Program

Mrs. Howard Kilpatrick of Comanche took her class of music students to John Tarleton College Tuesday, November 29 where they rendered a guest program for the Fine Arts Club of that institution. The program was well received by a large group of conservatory students and faculty members. Charles W. Froh, director of music at Tarleton, complimented the program and invited the visitors to return. The program rendered by the Comanche students follows:

Czardas, Monti; Chaconne, A. Durand, Francis Durham and Maidee Marshall.
Minuet, Mozart, Maide Marshall and Joy Jean Eaton.
Nocturne E flat, Chopin, Maidee Marshall.
Star Dust, Carmichael; La Cucaracha (Mexican Folk Song), Gould, Francis Durham and Maidee Marshall.
Persian Market, Ketelbey, Francis Durham and Joy Jean Eaton.
Waltz, Brahms; Waltz A flat, Chopin, Francis Durham.
Fantasia, Mozart, Francis Durham and Maidee Marshall.

Of the 150 members of the Lower House of the Texas Legislature, only 78 have been renominated for another term.

Bert Ayers, a prominent De Leon citizen, will move to Comanche and be at home in the St. Clair residence now occupied by Sam Walsman, after January 1st. Mr. Ayers has been selected by P. A. Pettit as one of his assistants in the Collector's office. We welcome Mr. Ayers.

FIRE DESTROYS FARM HOME OF J. L. COTNEY FRIDAY MORNING

Fire of undetermined origin destroyed the farm home of Mr. and Mrs. J. L. Cotney early Friday morning. The Cotney home was located between Comanche and Gustine.

The home and most of the personal belongings were lost in the blaze. The dwelling carried no insurance.

Beattie Girls Win Cage Tournament

Geneva Stevens, captain of the Beattie girls' basketball team, who plays guard, was selected as the best sport in the recent Morton Valley Tournament. Players from Alameda, Carbon, Rising Star, and Morton Valley were given honorable mention for their sportsmanship.

Beattie played Rising Star in the final game of this tournament and won by only three points. Rising Star led until the last quarter of play when Beattie advanced to a three point lead which they managed to hold until the final whistle blew. The team received a nice trophy as their reward.

The Morton Valley meet was one of the best tournaments the Beattie girls have entered this year. Every team there showed splendid sportsmanship. Beattie felt highly honored to have one of its players picked as the outstanding good sport of the entire tournament. Geneva received a beautiful gold medal as a reward. The Beattie girls have entered four tournaments this year and have been fortunate enough to win all of them and have been awarded nice trophies each time.

To Raise Funds For Jew Refugees

The following letter and news item was received by Charlie Hoffman of Comanche from Gus J. Rosenberg of Brownwood: "You no doubt, have read that Interstate Theatres, Inc. will give the entire proceeds of their shows on Wednesday, December 7th, without any deductions whatsoever to the Joint Distribution Committee for refugee relief."

"This syndicate owns all of the three movie theatres in Brownwood and we are endeavoring to get as much publicity as we can. I just want to add that I received word this week that one of my cousins was murdered in a German concentration camp and that four of my other cousins are also in a prison camp."

"With kindest personal regards, I am,

Yours sincerely,
Gus J. Rosenberg."

"The Lyric Theatre in Brownwood, along with 138 other movie theatres belonging to the Interstate Circuit, Inc. group will give the entire gross proceeds of the ticket sales during Wednesday, December 7th to the aid of people now destitute in Central Europe, a letter from Karl Hoblitzelle, president of the syndicate, revealed today.
